

Innovation Technologies

INDUSTRIAL WORKFORCE SOLUTIONS

MOHRE-compliant manpower for fabrication yards, marine and offshore projects, EPC scopes, construction and infrastructure works across the UAE.

Trusted today. Built for tomorrow.

FABRICATION | MARINE | OIL & GAS | CONSTRUCTION | ENERGY |
INFRASTRUCTURE

- ISO-CERTIFIED SYSTEMS
- MOHRE COMPLIANT MANPOWER

Trades Supplied

- FCAW Welders – 3G / 4G / 6G
- GMAW / MIG Welders – 3G / 4G
- GTAW / TIG Welders
- SMAW / ARC Welders – 3G / 4G / 6G
- Structural Fabricators – drawing reading, beams, columns, supports & frames
- Pipe Fabricators – isometric reading, spool fabrication, fit-up & pipe supports
- Electrical Technicians
- EX Glanding & Termination Technicians
- E&I Technicians

Experienced in Welding and Fabricating a range of materials including Carbon Steel, Stainless Steel, Aluminium and Copper Nickel (CuNi / Kuni), for fabrication, installation and repair works in workshop, yard and site environments.

We understand the difference between new build and repair work. Repairs are costly, so the job must be done right the first time. We supply experienced and qualified personnel to reduce rework, delays and project risk.

Full project teams can be deployed, experienced in working together to reduce supervision requirements while maintaining safe and productive site operations.

Personnel supplied trained and certified to project, site and client requirements where required.

- Mechanical Technicians
- Millwrights
- Riggers – TUV Certified
- Scaffolders – TUV Certified
- Fire Watch – TUV Certified
- Supervisors / Foremen
- General Helpers

Industries Supported

- Oil & Gas fabrication yards
- Marine & offshore projects
- EPC, construction & infrastructure
- Power & energy projects
- Shutdown and maintenance work

COMPLIANCE & READINESS

MOHRE-Compliant Manpower

All manpower is supplied under compliant manpower arrangements for UAE project deployment, including company-sponsored visas, Medical Insurance UAE Wide, Fully Wage Protection System (WPS) compliant payroll and Workmen's Compensation for all sites.

Project Mobilisation

- Deployment to fabrication yards, EPC sites, workshops, marine locations and project sites as required
- Individual skilled tradesmen or complete project teams
- Controlled deployment for fabrication, shutdown, maintenance and EPC scopes
- Workshop, yard and site-based support where required

Systems & Certification

We work with your HR, procurement and project teams to understand your work procedures, site requirements and health & safety standards, ensuring our manpower integrates smoothly with your project operations.

WHY CHOOSE US

Why Choose Innovation Technologies

- Full MOHRE compliance
